East Valley Boys Service Club Member Agreement

Membership in the East Valley Boys Service Club (EVBS) is a privilege. Each member has the obligation and the responsibility to uphold the high moral standards of the EVBS. You, as a member, help by your attitude, your conversation, and your behavior. This set of standards is provided as a guide for your conduct. Please read it carefully and take seriously the commitment that your signature represents.

1. I agree to complete the required number of Philanthropy hours per year as an EVBS member. The Philanthropy service hours will be filled from a select group of charity organizations.
2. I will also attend **a minimum of two (2) general meetings per year.**
3. I will see that my dress and grooming reflect good taste and judgment. I will dress in my EVBS T-Shirt for philanthropy events.
4. I will conduct myself within the bounds of accepted standards of good taste and with consideration for others. I will respect the property and privacy of others. I am aware that my behavior in a group must always reflect high standards.
5. I will take my commitments seriously. When I sign up for a philanthropy event, I will arrive on time, perform my duties as instructed, and fulfill my assignment to the best of my abilities. ***I understand that I shall be responsible for finding a substitute if I am unable to fulfill my commitment. If a substitute is not found, I am responsible for contacting the philanthropy liaison prior to the service date.***
6. I understand that one parent/guardian must hold at least one leadership position in EVBS during the son's membership in the club.
7. I understand that I am required to observe all local and state laws regarding driving, and the use of alcohol and/or the use of illegal substances when participating in an EVBS activity is strictly prohibited.
8. I accept the fact that if I fail to fulfill my responsibilities as a member of EVBS, the Board of Directors may initiate proceedings that could result in probation or termination of my membership.

Being an EVBS member is a privilege and with that privilege comes responsibility. By signing this agreement, I acknowledge that responsibility. The cooperation of both son and parent / guardian is needed to maintain these standards.
